

# NEED A DOCTOR/HEALTHLINE

---

**Healthline – it’s the number to remember to make your life just a little easier.** \_\_\_\_\_

With just one call you’ll receive the answers to your health questions, find the right doctor for your family, and register for any of our community education classes. Hundreds of health related topics are available to help consumers make more informed decisions about their health. For example, information on diabetes, women’s health, children’s health, aging, eyes & vision, foot care, exercise, common illnesses, headaches, and many more are available.

Services we offer:

- Physician Referrals
- Health Information
- Class/Event Registration
- Maps/Directions

**St. Bernards Healthline Call:**

**(870) 207-7300 or  
1-855-207-7300**

**Patient Portal Info** \_\_\_\_\_

Your private and secure connection to your health info and medical records.

Creating a Patient Portal Account is easy.

**Step 1:** Enter “MyStB.info” into your internet browser.

**Step 2:** Select “Create an Account” and follow the screen prompts.

**Step 3:** When asked to “Select a Practice” enter St. Bernards Medical Center.

**Visit our website for more information** \_\_\_\_\_
