A Commitment

Volunteering is a commitment to your community and to yourself. It is not to be taken lightly. It is **your** responsibility. You must be willing to serve where you are needed and take what hours you are given. This might include weekends.

Appearance

Your uniform with your volunteer emblem and your patient ambassador badge are your symbols of service and should be worn with professional pride. Volunteers observe the same hospital regulations as everyone else. The uniform does not entitle you to special privileges. Because you represent St. Bernards Medical Center to the community, the following rules apply to your uniform:

- Polo shirt and pants should be kept clean and pressed.
- Shoes should be comfortable and quiet, worn with nylons or socks.
- Hair must be neatly groomed.
- No heavy make-up, perfume, or nail polish.
- No jewelry, except a watch.
- No smoking, eating, or gum chewing while on duty.

Your uniform is a red polo, black or khaki pants, closed toe shoes, and your badge.

Each patient ambassador must receive a TB skin test for tuberculosis performed by the Employee Health Nurse at St. Bernards Medical Center. The will be conducted at no cost. You are also required to receive a Flu Shot and turn in your proof by **November 31st**. You can get a Flu Shot from your physician or from retail

pharmacies such as Walgreens or Wal-Mart. Also, ASU and local schools provide certain days in the fall that provide free flu shots.

Ethics

As a patient ambassador, you are subject to the same code of ethics as the professional staff. It is therefore necessary that you:

- . . . do not discuss the patient's illness, his/her family, or his/her problems outside the hospital.
- . . . be understanding and kind without being curious.
- . . . refrain from giving advice.
- . . . bring questions, problems, comments or suggestions to your volunteer coordinator or the supervisor you are reporting to.
