

The Heart of Great Medicine

March 20, 2020

Dear Patient,

We remain committed to providing Christ-like healing in the safest environment possible for you and your baby.

Due to COVID-19, we ask when you arrive for your scheduled appointment, please remain in your vehicle if possible. Call our office at 870-207-0421 from the parking lot to check-in. We will then call you when your exam room is ready.

If you do not have a personal vehicle where you can wait, please come directly to our clinic on the 2<sup>nd</sup> floor. All patients will be screened for symptoms of illness before coming in to be seen.

At this time, we can only allow patients in the clinic.

Special considerations will be given to ultrasound visits. Please call in advance to arrange for 1 guest to be with you during your ultrasound.

Thank you,

St. Bernards Pregnancy Clinic
